

REMARKS

Applicant acknowledges the telephonic restriction requirement made by the examiner on February 24, 2006 between:

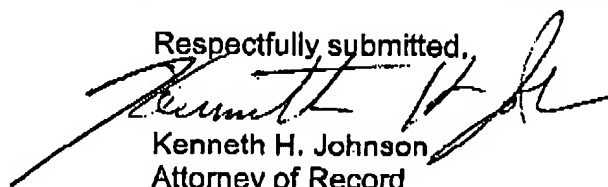

Group I, claims 1-7 directed to the polymeric support;

Group II, claim 8-14; directed to the catalyst system;

Group III, claims 15-17 directed to the method of making the polymer; and election of Group II, without traverse. The examiner also required an election of species if Group II was elected. Applicant selects the species of Claim 13.

Applicant also acknowledges a further telephone interview with the examiner on February 23, 2006, February 28, 2006, and March 1, 2006, discussing the allowability of the elected claims if amended to incorporate the limitations of Claim 1 into claim 8. Applicant has incorporate claim 1 into Claim 8 and cancelled the claims to the non elected inventions. New claims 18-23 corresponds to claim original claims 2-7 recast into catalyst claims. All of the implicit Markush groupings of the original claims have been evaluated to verify they meet Markush requirements and corrected as required..

Respectfully submitted,
